Hi guys

You both did the analysis on the above captioned case – cert numbers [REDACTED] I am looking for the discovery packet for the lab numbers. I inadvertently have not requested it yet. The trial is scheduled for January 10<sup>th</sup>, so if you can email it to me at your earliest convenience that would be amazing. Sorry for the short notice over the holidays. Attached are summons for you both for trial – I would not imagine you taking the stand till the 11<sup>th</sup>. Furthermore, we are still waiting for a decision on the motion to suppress, so it is possible the trial date will get bumped, but better safe than sorry...

Sorry I am throwing all this at you during the holidays, I am sure things are hectic enough without my nonsense. Thanks so much for your help and I hope you both had a wonderful holiday and have a great new years!!!

~LG

Ps – Dan if you could email me your CV that would be most helpful.. Thanks!
